## PROFESSIONAL EXPERIENCE

**Thermal Spray Technician IV, 1998 – Present ▪ Thermal Spray Technician III, 1997 – 1998**  
**T.S. Technician II, 1997 ▪ T.S. Technician I, 1996 – 1997 ▪ Engine Cleaning Technician, 1995 – 1996**  
NATIONAL AIR MOTIVE / ROLLS ROYCE ENGINE SERVICES, San Francisco, CA

Built consistent record of achievement and rapid advancement through increasingly responsible positions with high-growth corporation employing 600 team members. Work with team of 4 in maintaining and repairing 250 engine product lines from multiple domestic and foreign military/private industry customers. Supervise and train personnel, perform advanced testing and troubleshooting activities, assign work requirements through APEX Scheduling System, and assist customers with inquiries. Selected Contributions & Accomplishments:

- **Process Improvement** – Developed system with hollow plug that reduced time for reworking process, translating into \$5,000 in annual savings and \$500 bonus, as well as award and company-wide recognition.
- **Safety Management** – Assisted in minimizing and eliminating critical EHS effects and risks through regulatory compliance activities. Developed curriculum and conducted safety meetings for groups of 20.
- **Quality Control** – Conducted meetings for Total Quality Management that corrected process quality discrepancies and expedited turnaround times through implementation of new procedures.
- **Troubleshooting & Resolution** – Maintained excellent record of preventive maintenance over 8+-year period, achieving near-zero discrepancies and pinpointing problems in early stages to save time and costs.
- **Teamwork & Leadership** – Contributed to team earning high ratings on skill levels and actual performance. Increased productivity through training and mentoring team members.
- **Client Support** – Provided clients with pertinent, thorough information on products.

*\* Prior position as Drug Clerk for Raley's in Oakley, CA, 1992 to 1995. Handled cashier, restocked items, and assisted customers with basic and complex inquiries. Developed strong communication skills*
